

# Corporate Social Responsibility

we are committed to sustainable practices, community empowerment, and ethical business operations, ensuring a positive impact on society and the environment.

## Preamble

At Carbure Activated Carbon Private Limited, we believe that our responsibilities extend beyond business success to creating meaningful, positive change in the communities we serve. Through our Corporate Social Responsibility (CSR) initiatives, we aim to address pressing social and environmental challenges while contributing to the well-being of our stakeholders. This CSR activity is part of our ongoing commitment to sustainable development, ethical practices, and community engagement, aligning our values with impactful, long-term solutions that make a difference.

## CSR Activity undertaken by our company:

### 1. Upgrading School Infrastructure: Toilets, Water Systems, and Litter Bin Donations:

In 2025, we undertook a project to renovate toilet blocks, construct drinking water systems, and donate litter bins for the students of Government Higher Secondary School, Chinniampalayam, Coimbatore, and Panchayat Union Middle School, Anuppatti, Tiruppur, with approval from the schools. This initiative ensures that students have access to clean facilities and a safe, hygienic environment for learning.

## 2. Desk Donation Initiative for Enhanced Learning:

In 2025, we donated 45 sets of desks for the students of Government Higher Secondary School, Chinniampalayam, Coimbatore, to provide them with comfortable and functional furniture that enhances their learning experience and supports their educational growth.

### Conclusion:

At Carbure Activated Carbon Private Limited, we are proud to have contributed to the well-being of students through our CSR initiatives. By improving school facilities, donating desks, and ensuring access to clean water and sanitation, we have helped create a better learning environment for students in Chinniampalayam and Anuppatti. We are committed to continuing our efforts to support education and community development, making a positive and lasting impact in the years to come.
